# Order Your Personalized Invitations and Thank You Cards

We can help wrap up your party with our invitations and thank you cards. For an additional cost, we will provide personalized martial arts themed invitations and thank you post cards.

The martial arts have always taught courtesy and respect and our parties are no exception. Courtesy begins as the birthday child greets the guests with a bow, and it can end with our unique, personalized thank you cards.

## Order yours today!

Only \$4 for a package of 10 post cards (5 1/2 x 4 1/2).
